

## Take Hold Of My Hand

Take hold of my hand  
I am here reaching out to you  
As I have always been  
Just as I reached out to many others when they needed me  
I'm reaching out to you

Remember Peter  
When he reached out to me when he was drowning  
When he thought he had failed  
I reached out to him and lifted him

I'm here reaching out to you  
When you feel you are drowning,  
When you feel you are failing  
Take my hand, I'm here reaching out to you  
To draw you back to me.

Remember Thomas  
Who was full of doubts  
But I reached out to him  
To show him I was real.

I'm here reaching out to you  
When you are full of doubts  
Touch me and know that I am no figment of your imagination  
Touch me and let me remind you  
Of how I have been real to you in the past  
Take my hand and know I am here.

Remember the man who could not walk  
I reached out to him to show him he could walk  
That he could do it.

I'm reaching out to you  
When you feel you can't do something  
Reach out and let me show you  
That you can not only walk  
But can run and leap to new heights, new dreams  
Take my hand and let me take you to new places.

Remember the woman who touched the hem of my cloak  
She didn't want to bother me  
I reached out to her to show I was bothered about her  
That I loved her.

I'm reaching out to you  
To show you I'm bothered about you  
To show you I love you  
And want you to reach out to me  
Take my hand and come with me
