

Washing Feet

Be still and let me wash your feet.

You come with the dust and toil of your daily life
Your feet are tired because of problems and worries you carry
Your feet are bruised because you have stumbled or failed.
They are scarred with past hurts
Sometimes they are heavy because you need to walk in difficult situations

Be still and let me wash your feet.

Don't be embarrassed because I am your God, your Creator, your Saviour
Don't resist because you think I shouldn't do this
I do this because I love you
I do this because I love you

Be still and let me wash your feet.

Let me wash away the tiredness, the weariness, the worries
Let me ease away the pain of past hurts, past failures
Let my living water renew, refresh revive your spirit

Be still and let me wash your feet.
Be still and know you are cleansed, refreshed, renewed.
Be still and know that you are loved
Be still and be with me.
